Dear Chris

Thank you very much for your generous online donation of £205 supporting Norfolk Wildlife Trust's Hickling Broad Land Purchase Appeal.

Your donation is immensely important to our purchase of this vital area of land and will do much to secure the future of our exceptional nature reserve and protect Norfolk's stunning Broads for people and wildlife.

This is a considerable challenge for the Trust, both in the amount needed and the time we have, so we will want to continue to ask our members and the wider public for help and we plan to make more information about the progress of the appeal available to you.

Please do visit our website at www.norfolkwildlifetrust.org.uk and see future editions of Tern for more about the importance of this land and the appeal's progress. However, should you be unable to access our website but would like to know more, please call a member of the fundraising team on 01603 625 540 who will be very happy to update you.

Thank you again for your commitment to our work and our vision for our flagship nature reserve.

Yours sincerely
